HOMEOWNER GUIDE

Every detail.
Every reminder.
One place to find it.

Your home record grows with you, from a new appliance to the next repair.

Get the details right

Upload a receipt or scan a product label to refine the valuation of a valuable belonging. White Glove Service can help you get organized and set up maintenance reminders.

Skip the paperwork hunt

Search warranties and manuals. Track system age, condition and maintenance history. Save renovation invoices, product details and even the paint color.

A helping hand from FIXED

Set reminders, schedule with FIXED where available, and keep a record of completed work.
