ino
know your home.

INSURANCE
OVERVIEW

Help your clients know what they own — before they need to prove it.

INO helps insurance professionals guide clients toward better documentation, stronger protection, and year-round engagement.

Why Insurance Professionals Use INO

Stronger Client Relationships
Stay connected beyond the policy and renewal.

Better Documentation
Help clients build organized, accessible home records.

Informed Coverage Conversations
Support smarter discussions before gaps become problems.

How It Works

1 **Invite**
Introduce INO to your client.

2 **Build**
They create a living home record.

3 **Stay Connected**
You support better preparedness over time.

Powered by Field Support

Where available, **FIXEDHHS** can assist homeowners document, verify, maintain, and update their records and provide the repairs and maintenance they may need.
